

ALAN DAVID STAATS

5156 West Olive Avenue, #270,
Glendale, AZ 85302 602.790.2636
alan@alanstaats.com

PROFILE

Strong foundation in photography, writing, commercial art, public relations and computer applications complemented by knowledge of business and media operations as well as the need for customer focused service.

Track record of initiative and achievement — seeking out contract, full-time and freelance projects and being selected for positions of responsibility within editorial, commercial and humanitarian organizations.

EXPERIENCE

Alan Staats Photography

2/89-Present

Owner

Successful completion of both editorial and commercial photography, video and graphic arts assignments requiring planning, follow-through, and results that meet client objectives with positive end results.

- **Projects Include:**

- Marketing brochures, collateral materials, print advertisements and web content for a wide variety of large and small corporations, including photographic production, copy writing, editing, layout, logo and image design, prepress, print management, website design, creation and deployment;
- Studio product, fashion and portrait photography;
- Spot news and long form editorial coverage of national and international subjects;
- Video production including script writing, scheduling, staff and talent hiring, editing and project oversight as executive producer

AERObridge, LLC

2005-Present

Media Relations and Photojournalist

Consolidate all production and generation of materials used to document the ongoing effort of this worldwide disaster relief logistics organization. My efforts have resulted in many hours of local and network news coverage, both in the United States and internationally, as well as articles in over 75 newspapers and magazines.

- **Projects Include:**

- Produce press releases, photography and video releases for broadcast, print and web media to promote the activities of the organization;
- Accompany and document AERObridge teams during initial relief efforts.

Triple X Industries, LLC

2016-Present

Designer and Photographer

- **Projects Include**

- Production of imagery and layout for company website
- Design high performance suspension seats for off road vehicles using CAD 400 driving a RichPeace Stitchmaster automated sewing platform.

Professional Pilot Magazine

2006

Staff Editor and Photographer

- **Projects Include:**

- Production of helicopter, avionics, synthetic and enhanced vision display-related articles and accompanying photography;
- Aircraft specific operator surveys.

Business and Commercial Aviation Magazine

1985-1991

Staff Editor and Chief Photographer

- **Projects Include:**

- Researched and produced feature articles primarily focused on the rotorcraft industry, ranging in scope from advances in avionics, heliport design and manufacture to operator surveys and long form field studies of helicopter operations;
- Provided all in-house photography for the magazine in support of seven staff editors as well as a group of free-lance contributors.

EXPERIENCE**Flight Level Design**

Owner, White Plains, NY and Greenwich, CT

1977-1985

Projects Include:

- Contract overseas and domestic photojournalism for Gannett, CBS, JB Pictures and Sipa Press;
- Commercial studio product and portrait photography.

The Columbia University Graduate School of Journalism

Adjunct Instructor, NY, NY

1973-1977

Projects Include:

- Adjunct/Staff Instructor covering camera operation, darkroom and studio techniques;
- Assist with film and video production for broadcast workshop.

SKILLS:**Expert level:**

- Adobe Creative Cloud 2022, including Photoshop, Dreamweaver, Muse, Premiere Pro, After Effects, InDesign, Lightroom, Bridge, Audition, SpeedGrade, Edge Animate, Edge Inspect, Prelude, Scout, Story CC, Encore, Encoder, Acrobat Pro.
- Microsoft operating systems and Office software.
- DJI Vision Software and DJI Inspire 1 UAV Operations.
- Aerial air-to-air photography and videography.
- Nikon D800E systems and lenses, Elinchrom Strobes, Chimera light modifiers.

AGUSTA A 109 MAX

The A109 MAX maximizes your performance, whether transporting patients, teaching teams of the same or performing low-level transport requiring specialized equipment. The A109 MAX is the direct result of input from the medical community and the helicopter operators who serve it. We incorporated the medical and environment and every part of the A109 MAX is designed to support our medical customers.

Call AGUSTA... WE SPEAK EMS.

We took a good thing... and made it better...

Reliable Allison 260C14-1 engine.
Aerodynamic landing gear for low-level
performance & easy ground handling.
Low maintenance costs & downtime for good
return investment.

Max Gross Weight increased to 3800 lbs.
Full body armor for crewmembers.
Rigged for night and medical cases on
work without compromise.
Standard crew seat retains seated adults sitting for
patients.

Cessna Citation I

The new Cessna Citation I aircraft offers almost unparalleled performance, superior fuel economy and a wide range of options. Along with new instrument paneling and seat options, the Citation I is available in two configurations: the Citation I and the Citation I Executive. The Citation I Executive offers the same performance and fuel economy as the Citation I, but with a more luxurious interior and a more spacious cabin. The Citation I Executive is available in both passenger and freight configurations.
